Re: Investigation of Certain 2012 Annual Access Tariffs
WC Docket No. 12-233 and WCB/Pricing No. 12-09

Attention: Secretary, Wireline Competition Bureau

On October 4, 2012, Alexicon representatives, Chris Barron and Julie Hudson, met via conference call with Pamela Arluk and Rhonda Lien of the Wireline Competition Bureau regarding the above-referenced matter.

A discussion occurred regarding billing clarification for LaHarpe Telephone Company. It was discussed that LaHarpe Telephone Company outsources their CABS billing and the billing company's bill dates begin on the 12th day of the month and end on the 11th day of the following month. Due to the billing cycle, revenues were collected short of October 1, 2010 but were extended the same amount of days past September 30, 2011 to give a true 12 months collection of revenue.

Columbus Telephone Company has the same situation. The outsourced billing company's bill dates begin on the 16th day of the month and end on the 15th day of the following month. Revenues were collected short of October 1, 2010 but were extended the same amount of days past September 30, 2011 to give a true 12 months collection of revenue.

Please contact Julie Hudson at 918-376-9901 or via email at Julie@alexicon.net with any questions.

Sincerely,
